MEMORANDUM FOR: Chairman, DDS&T Intelligence Collection  
Requirements Study Group

SUBJECT: Office of Special Projects Intelligence  
Requirements

REFERENCE: DDS&T-5484-65, dtd 23 November 1965

1. This memorandum is in response to your reference request for a summary of OSP Intelligence Requirements and Procedures.

25X1

2. The general mission of the OSP is the development, procurement and operation of collection systems. These activities are conducted in response to general USIB requirements under the cognizance of the D/NRO. Under this charter OSP does not generate intelligence requirements and, therefore, does not levy requirements on the Collection Guidance Staff. This Office does, however, maintain informal liaison with the Collection Guidance Staff and with COMOR, and its sub-committees, with the objective of maintaining a detailed understanding of the current primary intelligence objectives and problems.

3. [ ] has the general responsibility for these relations.
